QUESTION

& ANSWER

Sub Splash - On-Line Giving and More!

Q: What is Sub Splash?

A: Sub Splash is a platform similar to the one we are currently using, Simple Church. It allows us to be better informed about church services and happenings around our church community.

Q: Why switch?

A: It is also an easier and quicker way than Simple Church to donate to God's work, using our website at www.mpcliny.org.

Q: When can I begin using Sub Splash?

A: As soon as you navigate to the website and click on GIVE!

Q: Will all my previous donations given through PayPal and Simple Church be part of this new platform?

A: Absolutely. All information in Simple Church will be migrated into Sub Splash.

Q: Will I be able to get information from there?

A: Yes, every person whose name appears in Sub Splash will be able to retrieve their end of the year contribution statements.

Q: Can I change or update my information myself?

A: Absolutely. We strongly encourage each member/donor to use the platform often for information and to update your personal account.

Q: What are some of the other benefits?

A: Push notifications from ministries to members/others about upcoming events and other vital information; services will still be available on the website for later viewing; finally, giving, push notifications, and all website information will be in one app through our website.

Q: I know the church is paying for this service as it did with Simple Church, but is there a cost to the church when I give?

A: Absolutely. With all third-party providers there is a cost to use their services and a cost charged for each donation. **Sub Splash has a better cost fee than Simple Church or PayPal.**

SUB SPLASH: When donors use a credit/debit card the processing rate is 2.99% plus \$0.30 transaction fee. For ACH (using a bank account), the processing fee is 1% and there is no transaction fee.

PAY PAL: Use of a credit/debit card AND ACH, the processing rate is 3.49% plus \$0.40 per transaction.

SIMPLE CHURCH: Use of credit/debit card is 3% with a \$0.39 per transaction: ACH is 1% with a \$0.39 fee per transaction.
